HELPFUL LINKS

Find other websites that offer information about hearing loss. They are listed by categories. (Move your cursor over the *Connect* button and choose from the sub-menu next to *Helpful Links*.) Some categories are general (e.g. National organizations) while others are specific (e.g. Parent Info). If you cannot locate a resource you are looking for, first look under Miscellaneous and if you still cannot find it, then contact [4]us to help.
